I originally joined "This Kind" af club because af my great admiratian far the Dancha-sama...
This is all my fault...
AH?

LET ME BE THE ONE TO FULFIL DACHO-SAMA'S WISHES!
TO ATONE FOR MY UNFOR-GIVABLE MISTAKE-
Me too
...Like hell that's what I was wishing for...
...I do have a question-
How dare you hurt your back at such a critical moment!
Why don't you consider whether you are entitled to demand so much from us or not!
You stay out side
Pft
For the following matches-
Who can we find to make up the team?

WHAT DO YOU THINK I, MOMOTARO USHIRONO-
EEEYAAAAH—!

Yau dare ta speak ta me in such a manner?
Ha !
I think yau're here ta make the readers' laugh!

Are yau trying ta BLACK-MAIL me?
Since the Dancha-sama has fallen in battle that means I Mamatara Ushirana am yaur anly chaice as his replacement!

Thot's right

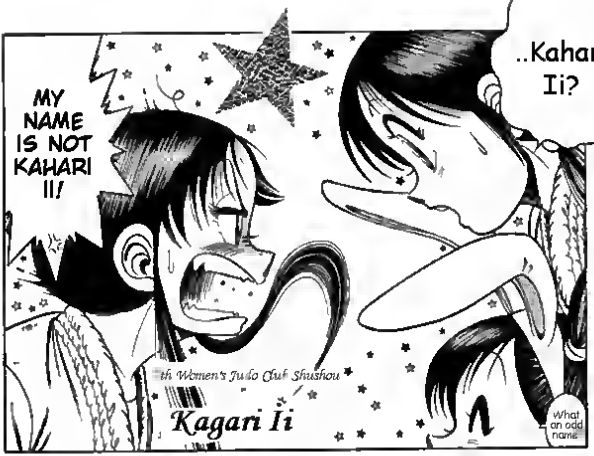
IPPON-!!

This Judo club is so pitifully short on talent
Apart from us two this is the first time that another team member has won an ippon~!
Alright! We've won the senpou battle!
SHE HAS ALSO IN ONE STROKE RE-WRITTEN THE RECORD SET JUST EARLIER ON BY MIFUNE SENSHOU!
THE MATCH HAS ONLY BEEN UNDER-WAY FOR TWO SECONDS!
NOT ONLY HAS RUMIKO MISUGI SENSHOU PROVEN THAT SHE'S THE "BYOUSATSU QUEEN" AGAINST MALE SENSHOUS AS WELL-
Hoho! What did you expect?
Will slam the living daylights out of them!
If she uses just 1 second then before the match even begins I-
If that little girl uses 3 seconds I will do it in 2 seconds!
That's against the rules

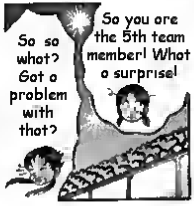
AH?
If I am even COMPARED to that little brat by people
There's no doubt that it will bring shame down upon the name of the Misugi clan
Cheering"!?
I'm cheering you on!
Ah!
She's so frost
HOW DARE YOU DO THIS BESIDE MY TOSHI-NIICHAN!
And wear ng these ears too
WHAT ARE YOU DOING?
Ah
Dan't get sa upset!
Gran Kumi! You are going too far!
You... You dare to look down on me!
I was praising you...
Misugi The match is not yet over!
That was a very nice "Uchimata" you did!
Uchimata - Inner Hip
Far a highschaal student that was very im-pressive!!

Hmm?
Don't treat me like a child
!?
That person
Didn't I
see you-
Some-where-
Be-fore!
EEK
You
Aren't you

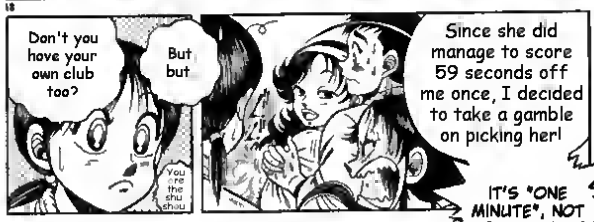


..Kahari Ii?
MY NAME IS NOT KAHARI II!
th Women's Judo Club Shushou
Kagari Ii
What an odd name!

I obviously can't afford weakening the "First Women" tournament team any further!
To make sure that the "First Women" will win their tournament even if I'm not in the team-



So so what? Got a problem with that?
So you are the 5th team member! What a surprise!



Don't you have your own club too?
But but
You're the shu shou
Since she did manage to score 59 seconds off me once, I decided to take a gamble on picking her!
IT'S "ONE MINUTE", NOT 59 SECONDS!

AH?
Someone changed my preferences entirely
Urr...
FIRST JUDO CLUB'S SHIPOU, KOYURI TACHINE SENSHOU-
!?
That's right it's just that-
Is that hentai girl in the competition too?
HAS LOST THE SHIPOU BATTLE THROUGH DISQUALIFICATION BEFORE THE MATCH HAS EVEN STARTED!
HANSOKU MADE!
SHIPOU MATCH, RED TEAM
Id oh! She's a woman!
You call your self a man?
No way!
Her match has just finished too!

That is exactly what I wanted!
Hohoho..
Certainly what I would expect of my handpicked assassin!
Just us three will be enough to score the required points, no point letting "Wotose senpai" figure out your true intentions!
Mi. Misugi~!
What's up, are you here to cheer me on too?
If I had known earlier even if I had to wrestle with those smelly guys-
As if!
I would still have given you a performance!
Da
Damn it!

-Didn't I already tell you?
YOU BIG PHILAN-DERER YOU!
ph lan der
That depends on how many "Nice Girls" I will meet in my life!
Um-
HOW MANY WOMEN DO YOU INTEND TO TOY WITH BEFORE YOU ARE SATIS-FIED?
APART FROM MISUGI, THERE'S THIS GIRL TOO?
EH?
Philanderer (English) a rake flirt, someone who sleeps around
16
I will not tie myself down to one woman for the rest of my life!
!!
OOH
AH

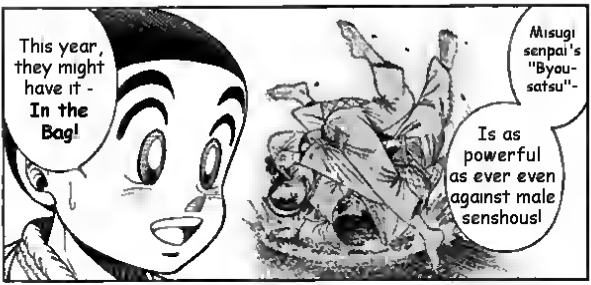
Hoho
Now that the obstruction is safely out of the way-
It's your turn to fight so off you go!
Hoi !
-OK! That will do!♡
MMPH ♡
THE MATCH WENT THE WAY WE EXPECTED-
If you dare say a word I'll kill you!
She's looking for you!♡
Very odd preferences indeed
LEAVING THE FIRST JUDO CLUB BEHIND ON POINTS-
So shameless!
As long as I can have my fun
Pfft
THE BY NOW BONELESS II SENSHOU HAS LOST THE CHUUKEN BATTLE-
BUT-

DIE!
GURK..!
THERE'S STILL THIS MAN IN THE FIRST JUDO CLUB!
TAKO THE FUSHOU EVENS THE SCORE WITH A STRAIGHT O SOTO GARI!
Sa caal !
Taka senpai is certainly a shining star in the heavyweight division!
His head?
Very brave!
NEXT UP-
WHAT?

TOSHIHIKO IGA IS NOW ENTERING THE RING!
THE GOD OF SEOI-NAGE-
Let's see how you have changed after one month!
Hmph! Give me a good show then!

一部
柔道
OVER THE LAST FEW YEARS OF THE SELECTION TOURNAMENT, THE FIRST JUDO CLUB'S RECORD-
HAS BEEN AT MOST THIRTEENTH AMONGST THE SIXTEEN OFFICIAL JUDO CLUBS!
TO BE HONEST, THIS IS NOT EXACTLY A RECORD TO BE PROUD OF!
HOW-EVER!

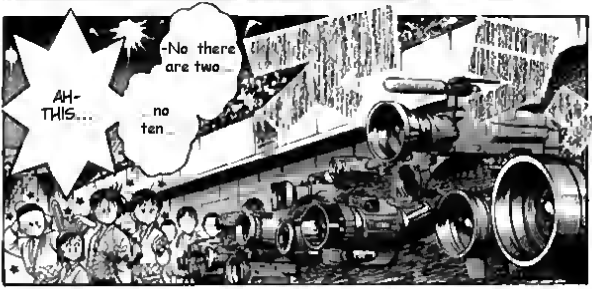
TOSHIHIKO IGA, THE SHUSHOU OF THE FIRST JUDO CLUB-
HE HAS WON ALL OF HIS PAST MATCHES WITH AN IPPON! NOT EVEN SENSHOUS IN THE HEAVY WEIGHT DIVISION ARE A MATCH FOR HIM!
HIS SKILL IS QUITE POSSIBLY UNMATCHED IN THIS SCHOOL!
HE ALSO HAS QUITE A GOOD CHANCE OF BECOMING THE NATION CHAMPION, BUT DUE TO THE "TEAM ENTRIES ONLY" RESTRICTION-
OUTSIDE OF THIS SCHOOL, HE HAS UNTIL NOW REMAINED AN UNKNOWN YET TRULY SKILLED COMPETITOR!
By the way
Don't you know who the cause of all this was?
What an unfortunate fellow!
I don't think he does
So sad
I won all my matches with ippon too you know
You can only blame the others for being so bad



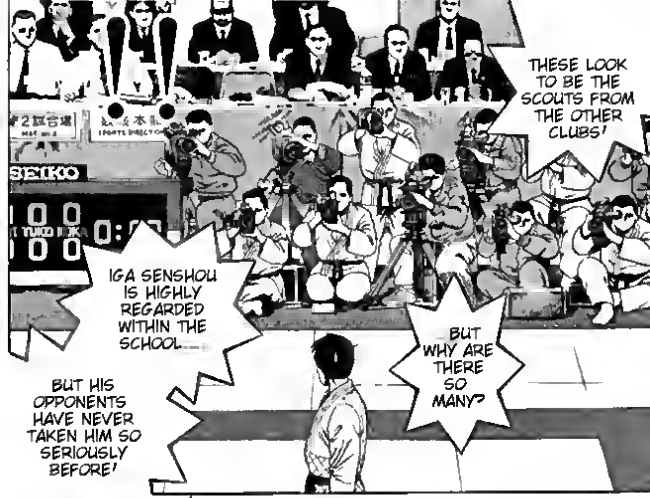
This year, they might have it - In the Bag!
Misugi senpai's "Byou-satsu"-
Is as powerful as ever even against male senshous!

Hmm?
What ?
It's just one video camera-

Hey look over there!
WHOSE SIDE ARE YOU ON ANYWAY!
-IN THE BAG MY ASS!
I'm very sorry



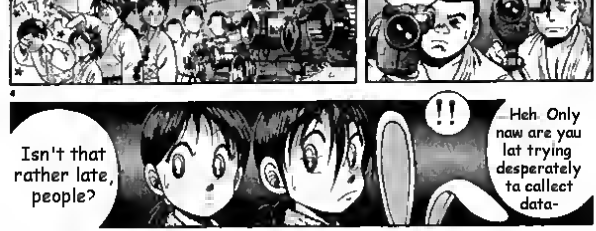
AH- THIS...
-No there are two _
_ no ten _



THESE LOOK TO BE THE SCOUTS FROM THE OTHER CLUBS!
SEIKO
IGA SENSHOU IS HIGHLY REGARDED WITHIN THE SCHOOL...
BUT WHY ARE THERE SO MANY?
BUT HIS OPPONENTS HAVE NEVER TAKEN HIM SO SERIOUSLY BEFORE!

BAH!
Everybady else thinks like Sanshira...
Sa extra attentian must be paid ta the First Juda Club this year!
But she has shawn her pawer as a paint scarer!
Erk

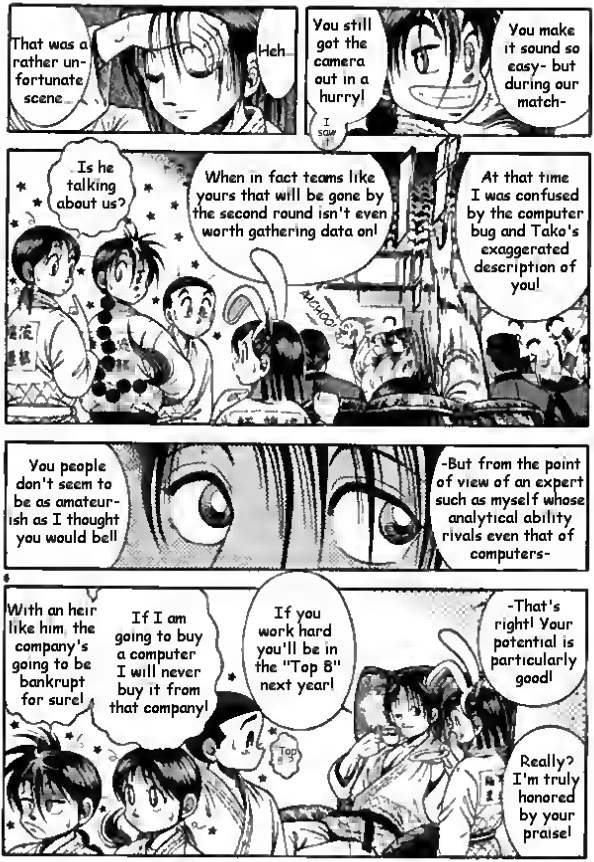
We alsa thaught Rumika Misugi being a girl wauld nat be a threat...
In the past na ane in the First Juda Club apart fram Iga and Taka ever managed ta win a match...
Daiko res gned too



Isn't that rather late, people?
!!
Heh. Only naw are yau lat trying desperately ta callect data-

A "Stable Shutter" position like that-
Will only serve to drag down Japan's Judo scene!
!!
This is called being prepared!
As lang as the prelimnary data gathering was dane well-
Then ane can sit back and watch fram the sidelines when the campetitian begins!
Aren't yau a little taa casual?
Haw can I place my butt an the cheap chairs they have here?
Yau're a big shat far sitting in this kind af chairs eh?
And what kind af "Pasitian" is yaurs?
Not cheap

Stable Shutter short for Shutting the stable doors after the horse has bolted



That was a rather unfortunate scene...
Heh...
You still got the camera out in a hurry!
I saw it
You make it sound so easy- but during our match-
Is he talking about us?
When in fact teams like yours that will be gone by the second round isn't even worth gathering data on!
AHHOO!
At that time I was confused by the computer bug and Tako's exaggerated description of you!
You people don't seem to be as amateurish as I thought you would be!!
-But from the point of view of an expert such as myself whose analytical ability rivals even that of computers-
With an heir like him, the company's going to be bankrupt for sure!
If I am going to buy a computer I will never buy it from that company!
If you work hard you'll be in the "Top 8" next year!
Top
-That's right! Your potential is particularly good!
Really? I'm truly honored by your praise!

Ah! I almost forgot!
HAJIME!
We nearly missed Iga's match thanks to that big idiot!
SEIKO
0:00
HOO YAAH!
!!
But where have I seen him before?
His appanent is a black belt as well but I don't think he's from an official Juda club...
Umm... they haven't been named yet I think
By the way which club is Iga and the others up against?

SEOI-
NAGE-!!

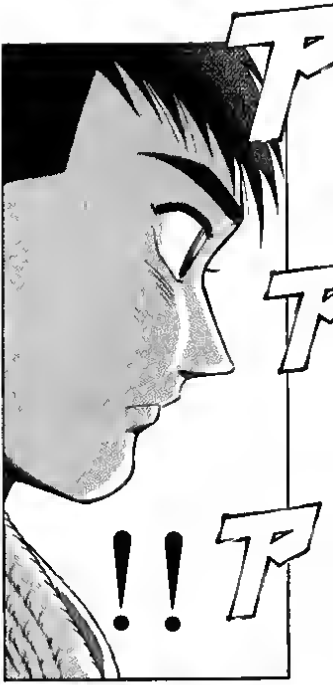
IPPON!
IGA SENSHOU'S SEOINAGE SHOWS ITS POWER!
THE SCHOOL'S NUMBER ONE JUDOKA IN TERMS OF SKILL... IGA SENSHOU SCORES AN IPPON ONCE AGAIN!
Oni Demon
He is a Judo "Oni"!
This...
Toshihiko of the First Judo Club-
That spine chilling feel he radiated just then.....
How come I... I had no idea at all...?
...Seoinage? He used a seoinage to defeat me...?

THE ONLY WORD TO DESCRIBE THIS IS "TERRIFYING"!
You Okay?
Are you hurt?
.....
Sen senpai's speed is now even faster than he previously was!
THIS IS IGA SENSHOU'S INVINCIBLE TORNADO SEOINAGE!
IF ANYONE STEPS WITHIN REACH OF THE STORM-
IN THE BLINK OF AN EYE THEY ARE SENT UP INTO THE AIR AND THEN SLAMMED BACK DOWN!
THIS IS TRULY THE "TORNADO"!
-How well do you score him on that one, old lady?
And, and just, then he...
Call her "Kun"!

The "Preparation" referred to here is to make the opponent easy to throw and also for yourself to be in a position to make that throw-
"Preparation"?
Well I don't think the critical port is in the "Seoinage"-
I would give his "Preparation" full marks I think!
Even if you grab them they'll try their best to defend making it hard to attack
In competitions however opponents won't do what you want them to do-
And for the past month he spent a lot of time on polishing this point
Not polishing my head!
The secret to Iga's Seoinage's blazing speed has always been his "Preparation"
This is what is called the "Preparation"!
So as you prepare to grab and when you grab the opponent you must be in a position to attack at any moment-
Is now beyond human imagination!
Iga's speed at present-

His speed is indeed a lot faster now-
However!
Tako does really love to exaggerate!
Ippon Seoinage One-handed Over the shoulder throw
It was a "Morote Seoinage"!
Just then however-
Morote Two Handed
...Ah?
He's right on the mark!
He has good Eyes.
"IPPON TORNADO SEOINAGE" IS NOTHING TO BE AFRAID OF!
About that...
THIS IS STILL WELL WITHIN MY EXPECTATIONS!
17
Ho Ho
-Yep!
You mean Igo can reach this speed even when using both of his hands?

You have made my interest in you-



!!

Increase once more, Mr. Squid!

I will offer you a very good price for the tape!
To any of my fellow students who managed to film the match just then-
Look who's the "Stable Shutter" now...
Ah...!
I finally remembered!
The author just can't be bothered coming up with anything!
Please give the elderly your seat
Comfy
Forget it!
-The one who fought Igo shushou just then was the runner-up in the state junior high...
Still no club name
Off to do research!
Is that true?

Neme Corrections

Those who look carefully at the character introduction will no doubt notice one or two corrections which will be incorporated into future SKM releases

This is due to Ryo the owner of the Kotaro Breakthrough! Site (aka Kiyokutan net) providing me with the equivalent Japanese scans

RKC News

I will be relocating countries in the middle of October As a result I will probably be off the net for the whole of October I'm reasonably sure that SKM will not be released in this period

That means SKM 9 will probably not be released until November and releases after that will be at a reduced rate

This wasn't a "Guess the Puzzle" competition, but many readers still sent postcards to correct me.

Attention: Furuta's Coded Message is Wrong Forum

NO SUCH TEAM!

When it's just before deadline, mistakes like these do happen.

I don't blame anyone.

Extra TOO V and "W" got switched around

That's right! I was rushing when I made this coded message up so there were a few errors.

How-ever!

Don't you find it odd?

How-ever!

I had intended to write it like this

So nobody got it.

I really want to rest too

I'm just so envious of you people!

Really, really enviOUS

I was going to use this chance to show off too

But Tako- he was with me all the time!
You are an accomplice too!
Don't get so excited yet!

Questions

1 What was Momotaro'a mistake that Kotaro picked up on?
2 Why is it impossible for Iga and Tako to be the perpetrators?
3 What trap did the author set?

Even if the perpetrator was this bald toko-
Bulls-eye!
So the witness should've said "The perpetrator was a baldy!"
Then his shiny dome should be his most obvious trait!
If you put this mask on from a distance it looks just like an octopus' mouth!
THAT'S RIGHT!
A MASK SUCH AS THIS!
URP
Ma-yum
However~
Even if they have never met each other before he would've thought of this at least!
May... Maybe he had a wig on!

THE FACTS ONLY ADD UP IF THE PERPETRATOR WAS SOMEONE THE VICTIM KNEW!
-ESPECIALLY IF THEY WERE A "BATTLE BROTHER" LIKE YOU!
!!
I'm doing some super deductive reasoning here!
YOU TWO!
Let me see.
How do you watch the recording?

!!
But...
Why do the facts add up only if he knew the attacker?
With regards to this point-
Shu-Shu-shou...I'm listening
The pee on the floor has already proven everything!
!?
Ah?

WE'RE TALKING ABOUT TENKOU-JI NOW!
-Mind you it's hard ta ambush Mayumi even when she's an the tailet
And
This was a perfect appartunity ta attack him!
Looking at how one trouser leg wos pulled up, he wos certain to have been taking a peel
Though his skills are far inferior to mine-
He is still a martial arts expert!
Don't forget, Ten the Boldy-
-That's right!
7
Does that sound logical to you?
Ta not notice at all same petty criminal sneaking up behind him-
For an expert standing at the urinal-

Urr Urr
Urr Urr
Urr Urr!
AND TURNED AROUND AT ONCE!
HE IS SURE TO HAVE SENSED IT-
THE ANSWER IS, NO!
THAT'S WHY THE PEE ON THE FLOOR IS IN A SEMI-CRICLE!
What a good deduction!
Even a grand master of martial arts would have trauble managing that!
So, in my opinion-
Why was he then hit in the BACK of the head?
If he was facing the little thug at that time-
This is where we have a problem!
Every-ane-

This I thot
What kind of dumb mask is that?
In the end... is it...
It's me! It's me!
Hold... Hold on!
This is for your own good!
Best if you and that ultimate baka part...
Look at you Shindo as led you astray!
When did you become so childish?
I.. I just wanted to give you a surprise!
..And what a "Surprise" it is...
My pea's stopped!
HOLD... HOLD ON!
-THIS IS THE MOST LOGICAL EXPLANATION!
YOU HIT HIM AFTER HE DROPPED HIS GUARD AND TURNED BACK TO THE URINAL!
-WHICH MEANS!

And his hokomo wos not wet ot oll!
His thingie was still tucked neatly away inside his lainclath-
The reasan being-
IM-POSS-IBLE!
The pee may have splashed an ta the flaar as he turned ta defend him-self and was knacked dawn!
Check it your-self if you like
Where did he learn a werd like that?
Thea... ret-ic-ally?
THAT IS JUST THEORETICALLY IMPOSSIBLE!
Perhaps the perpetratar braught alang a replacement hakama far him ta wear?
Maybe the perpetratar put "It" away?
10
Excuse me
Na need far the "same-times"!
Sametimes yau can be pretty amazing!
Is that sa?
I have "olways" thought you were amazing!
You don't mean it like that
Heh
Kinda-oh-s ghast?
Anything more to say in your own defense?
Well?

Yes_ maybe it is as you deduced_ that the perpetrator was someone the victim would recognize-
Or even a close personal friend!
BUT-!
WITH JUST THIS-
YOU CAN'T PROVE I'M THE ONE WHO'S GUILTY!
ISN'T THAT RIGHT?
But that mask
THAT DOESN'T PROVE ANY-THING! WHO SAYS I AM THE ONLY ONE WHO CAN WEAR THAT MASK?
The real perpe-trator is still YOU!
Even if there was someone like that-
I'm of course NOT that kind of person!
I don't think there's that many people look-ing for trouble-
Umm
AND I'M NOT TENKOUJI'S ONLY FRIEND!
Taicho you poor thing
What is it? What is it? What is it? What is it? What is it? What is it? What is it?
What
I discovered another new piece of evidence just then!
RKC sorry about th s one Just too hard to do 'n cely

ACK!
It's on your right shoulder!
The victim managed to write his last words on there!
犯人是白太郎!!
Momotaro did it!

Heh
Can you provide a logical explanation for this!
Yeah! The taicha was obviously attacked from behind. How can that spat
Apart from you writing it down as you patted him on the shoulder
Isn't This
Kotaro's writing?
*See pg17 top left

These injuries on this bald senpai's face-
I thought it was odd from the very start!
ARE YOU MOMO-TARO?
WHAT PROOF DO YOU HAVE?
How-ever-
-Now I finally get why people kept saying "back of the head back of the head"!
He didn't look like this in the beginning
Rewind
-Mostly the work of the shushou correct?
But-
YES!

Apart from the first three people on the scene-
The only ones who could see the injury on the back of his head-

I... I just didn't want to be in... in this tournament...
Even if Ten the baldy does come back now-

This is our new member Doumo Kamo
Let me introduce you
WAS NOT TAKING YOU OUT TOO-!
Tenkouji is hosptalized again and it will be another month before he is released
Sh ndo nflicted even worse njur es
And
AND....
And it can convey identical "Image Data" to those not present at the scene at the time!
The important thing about the V8 is its ability to "Record Video" and-

Please keep this in mind!
-the same opportunity to acquire the same clues!
-That is, giving people who were not at the scene like Kotaro and the others-
-Now that we have these two points in mind, let's have a look at those questions again
The main character may not get it completely right...!
It's Kotaro after all!
Just like "Kindaichi"-
This is the CORRECT answer!
The "Last Words Written Down by the Victim"!
-And the answer is...
-That's right! Question one from last week was the "Mistake that KOTARO picked up!"
...Do you understand now? This is in fact the "Trap" I had set!
Those who got it right, I'm impressed! I didn't even think of this solution at that time... didn't even think of it all...
18
My name is-
OK!
All I can say is sorry!
-If you really seriously tried to deduce the correct answer-

Therefore people who answered 1 correctly can enter the draw but those who got the right solution (do these even exist?) and those who found the 'trap' have priority

Declaration of Victory... probably?

To all of my readers, let's talk about the short detective story celebrating 650 issues of serialization! At that time I did ask each of you to send in your solutions, but... nobody got it right! (Well, one did, but his reasoning was full of holes and wasn't sent in on a postcard as required, so it wasn't counted.) It's not you the readers' fault though, because I the author had no idea how the Solution will go when I finished doing the Question chapter either...

About half of the readers' solutions were logically correct, but these readers (including Kindaichi's script writing team) all fell into the trap that I had set! (Many thought Judo Ni-dan was my trap, so it couldn't really be called a joke gag...)

I didn't think anybody would guess that the question itself was a trap right? But if you noticed that I had emphasized "Kotaro's Mistake" twice on the same page, you should've noticed! Oh well, too bad!

But the author did make a mistake in the second question... and that was Tenkouji's "Gah... that jerk" line. I had nothing special in mind when I wrote that piece of dialogue, but many of the readers used it as a clue and managed to guess the correct answer to Q2.

Man, the clue that the author didn't intend to be a clue ended up being the most useful clue in the end... Detective mangas are really not easy to do!

OK, let's continue!

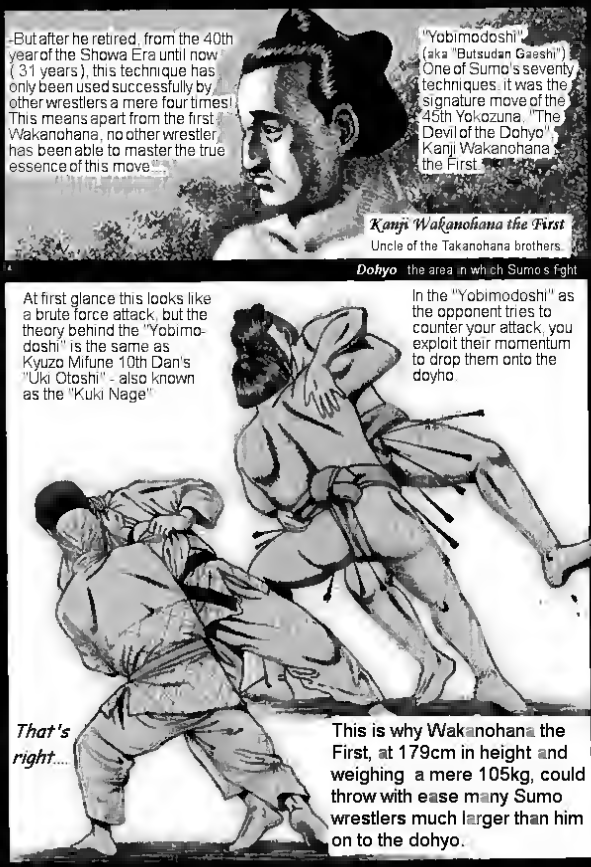
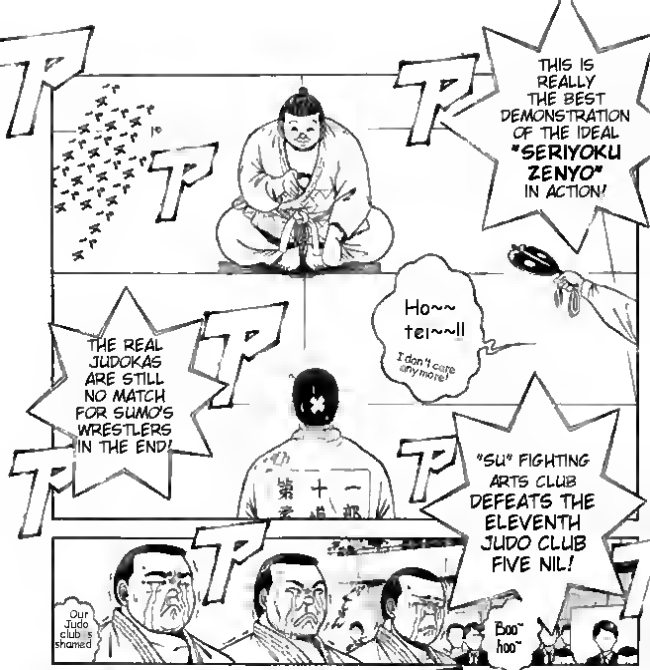
This is almost as if...
And it was through the use of the opponent's own strength!
Did not attack the opponent's feet and without touching their waist... Threw the opponent using just the two hands and body...!

Yobimodoshi - "To Return"

Butsudan Gaeshi - "Buddhist Altar Reverse" (flip over)



-But after he retired, from the 40th year of the Showa Era until now (31 years), this technique has only been used successfully by other wrestlers a mere four times! This means apart from the first Wakanohana, no other wrestler has been able to master the true essence of this move....
"Yobimodoshi" (aka "Butsudan Gaeshi") One of Sumo's seventy techniques. It was the signature move of the 45th Yokozuna, "The Devil of the Dohyo", Kanji Wakanohana the First
Kanji Wakanohana the First
Uncle of the Takanohana brothers.
Dohyo the area in which Sumo's fight
At first glance this looks like a brute force attack, but the theory behind the "Yobimodoshi" is the same as Kyuzo Mifune 10th Dan's "Uki Otoshi" - also known as the "Kuki Nage"
In the "Yobimodoshi" as the opponent tries to counter your attack, you exploit their momentum to drop them onto the doyho
That's right....
This is why Wakanohana the First, at 179cm in height and weighing a mere 105kg, could throw with ease many Sumo wrestlers much larger than him on to the dohyo.



THIS IS REALLY THE BEST DEMONSTRATION OF THE IDEAL "SERIYOKU ZENYO" IN ACTION!

"AN UNSOLVABLE PUZZLE"

By Tuxedo Aoyama

Can't you guys think more to the oddball side?

Keiketsu

This is a more "martial" application of the same fundamentals that lead to acupuncture. The human body is believed by Chinese medicine to consist of energy meridians that keep the body in balance and "Keiketsu" (literally "Holes in the Way") are points where the flow of *Ki* along these meridians can be affected.

Some keiketsu are known as *Kyushou* or "Vital Points" (e.g. the temple is one, as is the groin) and while the 13th Judo Club taishou didn't attack his hapless opponents *Kyushou* he was able to paralyze the poor guy's entire arm by striking his *shotaku*.

Tengu

Japanese mythology refers to them as a race of mischievous mountain goblins, though they are now commonly depicted as having a long nose, there is also a version with beaked bird like faces. The Tengu are reputed to be shape changers.

The Tengu are believed to possess supernatural powers and have great martial and magic prowess.

Akebono the first foreign-born Yokozuna of Sumo

Musashimaru the second foreign born Yokozuna

Sumo's Yokozuna

The title of Yokozuna is only awarded to *Rikishi* (wrestlers) of great skill and popularity. He is expected to set a good example to all rikishi, and have mastered all the basic skills.

Once a rikishi has become a Yokozuna, he can not be demoted (unlike other professional ranks) but if he starts losing more than he wins, he is expected to retire.

Gee, sorry about the cliff hanger but that's life. See ya in a month.
